

## YOU MUST REGISTER BEFORE SEPT. 23<sup>RD</sup> FOR AUTUMN QUARTER.

Workshops are offered at regular student fees. No textbook needed. High speed Internet connectivity recommended. There are no class minimums on these workshops. All interested participants should contact Sue for more information. Or register through your buckeyelink.

### Online Workshops

#### Surfin's OUT! Direct Hits are IN!

3 graduate quarter hours  
28379 -- 692.50

Be a part of the educators who will locate and evaluate curriculum resources and lessons for their classrooms. The main focus of this workshop will be interactive web sites that are directly aligned with the Ohio Content Standards. 1000's of web sites will be explored for your classroom use.

#### Picture IT!

3 graduate quarter hours  
28381 -- 692.21

Have fun learning software you probably didn't know you had on your computer. You will be creating photo albums, picture books, slideshows and more. Learn to use your digital camera and scanner to create awesome results. You will need a digital camera to complete this course. *(TLTL has a few to check out on a 2 or 3 day time period.)*

**AUTUMN QUARTER CLASSES WILL BEGIN ANYTIME AFTER SEPT. 23<sup>RD</sup> AND WILL END ON DEC. 4<sup>TH</sup> THESE SAME WORKSHOPS WILL BE OFFERED WINTER AND SPRING 2010.**

Please email for more information.

Class participation will include a mixture of emails, phone consultations, discussion boards and web resources. Podcasts and other methods will be used to assist all students.

Even if you have never taken an online class before, my web resources will assist you in your online class. An experienced online educator will also have many resources to choose from in these workshops.

### More Online Workshops

#### Web 2.0 - What's New in Educational Technology?

3 graduate quarter hours  
28380 -- 692.50

This course is developed for students who would like to learn what is new in educational tools. What can educators do with Wiki's, Podcasts and Blogs? How can educators use iPods, MP3 players, Smartboards, CPS and other tools for the classroom?

#### WebQuests, Made Easy With Word

3 graduate quarter hours  
28383 -- 692.21

Microsoft Office is required 2003 or higher PC or Mac versions  
3 graduate quarter hours

WebQuests are like lesson plans that are adapted in a specific format. WebQuests allow students to work independently on their Internet assignments, as well as, learn how to create and use a wonderful tool for your classroom.

### Simply iMovie or MovieMaker

3 graduate quarter hours  
28382 -- 692.21

Create exciting video for your classroom. Students, teachers and staff can easily create learning tools and presentations using iMovie or Movie Maker. Knock the socks off of parents when you present a video of their children this year. Five to ten minute videos can be created in a few hours. You must have access to a computer with software installed. A digital camera, video camera and or scanner can be borrowed from the OSU Lima campus TLTL Center to use during this workshop.
