Are you looking for great professional development that aligns with the content for your classroom? Do you need graduate credit to renew your certificate but are looking for a course or workshop that will help you in the classroom?

OSU Lima and Sue can help!

Online Educational Professional Development Workshops

Surfin's OUT! Direct Hits are IN!

1 to 3 graduate quarter hours available

Be a part of the educators who will locate and evaluate curriculum resources and lessons for their classrooms. The main focus of this workshop will be interactive web sites that are directly aligned with the Ohio Content Standards. 1000's of web sites will be explored for your classroom use.

Surfin's OUT! Advanced

Pre-requisite is Surfin's OUT! Direct Hits are IN!
Continue more research for additional hours.

1 – 3 hrs. graduate credit

Picture IT!

1 to 3 graduate quarter hours available

Have fun learning software you probably didn't know you had on your computer. You will be creating photo albums, picture books, slideshows and more. Learn to use your digital camera and scanner to create awesome results.

Picture IT! Advanced

Pre-requisite is Picture IT!
Continue to learn more ways to advance your photo experience.

1 – 3 hrs. graduate credit

SMART Math– K-8 Grade

1 to 4 graduate quarter hours available

Locate and evaluate Math curriculum resources and lessons for their classrooms. SmartBoard tools and resources for math will also be featured. Interactive resources and tools for your classroom to meet the needs of the highly qualified teacher.

SMART Social Studies– 4-8th grade

1 to 4 graduate quarter hours available

Locate and evaluate Social Studies curriculum resources and lessons for their classrooms. SmartBoard tools and resources for social studies will also be featured. Interactive resources and tools for your classroom to meet the needs of the highly qualified teacher.

Simply iMovie – *Mac users only*

Simply Movie Maker – *PC users only*

1 to 4 graduate quarter hours available

Create exciting video for your classroom. Students, teachers and staff can easily create learning tools and presentations using iMovie or Movie Maker. Knock the socks off of parents when you present a video of their children this year. Five to ten minute videos can be created in a few hours. You must have access to a computer with software installed. A digital camera, video camera and or scanner can be borrowed from the OSU Lima campus TLTL Center to use during this workshop.

Web 2.0 - What's New in Educational Technology? 1 to 3 graduate quarter hours available

This course is developed for administrators and teacher leaders who would like to learn what is new in educational tools.

What can educators do with Wiki's, Podcasts and Blogs? How can educators use iPods, MP3 players, Smartboards, CPS and other tools for the classroom?

WebQuests – Made Easy With Word Microsoft Office is required 2003 or higher PC or Mac versions 1 to 4 graduate quarter hours available

WebQuests are like lesson plans that are adapted in a specific format. WebQuests allow students to work independently on their Internet assignments. Learn how to create and use a wonderful tool for your classroom.
