**Action**

Everything is dark.
You can feel the
Tension filling the air.
Everyone is ready.
And at the same time,
No one is.
Heart beating
So fast and so loud,
You can hear it;
A drummer playing
Like crazy.
Reviewing the lines
Before the show.
People talking on
The other side,
Waiting for the curtain
To rise.
The emotions are so intense,
You can see them.
You can touch them.
I am not me anymore.
I am another person,
I am a character.
A new name,
A new life.
I’m ready.
Then the people stop talking.
The directors present.
The curtain rises.
And the show begins.
Choices

Sometimes I stop
And think
That maybe my
Whole life was wrong.
What if I did all wrong?
My decisions.
My dreams.
My thoughts.
All wrong.
My path is going in the
Wrong direction.
And I'm going to realize it
When it's too late.
What if I had to
Turn right
Instead of left?
What if I'll miss the
Right exit?
Nobody is gonna be there
To give me directions.
I am the
Only one in here.
This is my life.
And I am
The only one
Who can figure it out.
