ACADEMIC ADVISING

CLUSTER A

Science, Technology, Engineering, Math (STEM), Health Sciences, Agriculture

Actuarial Science  Earth Sciences  Sciences, and Nutrition in Industry
Aerospace Engineering  Electrical and Computer Engineering  Industrial and Systems Engineering
Air Transportation  Engineering-Undeclared  Landscape Architecture
Animal Sciences  Engineering Physics  Material Science and Engineering
Architecture  Astronomy and Astrophysics  Mathematics
Astronomy and Astrophysics  Athletic Training  Meat Science
Atmospheric Sciences  Atmospheric Sciences  Mechanical Engineering
Aviation  Evolution and Ecology  Medical Lab Sciences
Biochemistry  Exercise Science  Microbiology

Biology (Lima Major)

Biomedical Engineering  Food Science and Technology  Molecular Genetics
Biomedical Science  Food, Agricultural, and Biological Engineering  Natural Resource Management
Chemical Engineering  Forestry, Fisheries and Wildlife  Neuroscience
Chemistry  Geographic Information Science  Nursing
City and Regional Planning  Health and Wellness Innovation in Healthcare  Pharmaceutical Sciences
Civil Engineering  Health Information Management and Systems  Physics
Computer and Information Science  Health Promotion, Nutrition, and Exercise Science  Plant Health Management
Computer Science and Engineering  Health and Human Services Exploration  Plant Pathology
Construction Systems Management  Human Nutrition (Dietetics, Nutrition)
Culinary Science  Radiologic Sciences and Therapy  Public Health
Data Analytics  Respiratory Therapy  Zoology (Lima Major)
Dental Hygiene  RN to BSN*

*Completion program
