ABOUT LIFELONG LEARNING AT OHIO STATE LIMA
The Lifelong Learning Institute (LLI) at The Ohio State University at Lima is a program of the Road Scholar Institute and offers classes for mature adults on four Tuesdays and Thursdays in April and October each year. LLI is an independent volunteer organization sponsored by Ohio State Lima since 1991.

Individual classes last one and one half hours and meet at the same time each week. You may sign up for as many or as few classes as you wish. Since classroom size is limited, please register early for the courses you plan to attend.

LLI contributes a portion of the tuition you pay to the Lifelong Learning Institute Scholarship Fund for nontraditional students at Ohio State Lima.

1:00 to 2:30 p.m. – Food and Wine: A Marriage Story

We will explore the classic concepts of food and wine pairing with an initial look at the basic and a consideration of some modern innovations. 10:00 to 11:30 a.m. – **Nature Inspires Art**

Explore how societies, scientists and artists have used nature to inspire art across the ages with moderator **Linda Lehman**.

April 7: **Egypt and the Tomb Paintings** – Look at the birds and nature images of the Early Egyptians and how these images were stylized and integrated into their belief systems. Images from the colorful tomb paintings and hieroglyphics along with recent photographs taken along the Nile will be presented and discussed.

April 21: **From America to the Galapagos** – The artistic portrayal of John Audubon’s birds was unapparelled as was Darwin’s scientific study of finches. The presentation will examine how artists (and scientists) from the past sought nature’s creatures to study, and in this process created art. We’ll look at how present day artists continue this practice today.

April 28: **Still Life and the Roman Emperor Rudolf II** – A sumptuous still life of beautiful fruits, vegetables and a lobster painted by a Dutch master can’t compare with a funny face made of vegetables; or a painting of a cupcake. Or can it? We’ll look at how artists have used nature to inspire art from the sublime, to the comical, to the satirical, and even to the fine art of a cupcake!

10:00 to 11:30 a.m. – **Tour of Lauer Historical Farm**, April 14
