NOTES: Class meets asynchronously, online. Reserved for Lima students only. Please contact an advisor to enroll.Medieval women: They weren't the denizens of some fantastical ?Dark Ages,? or the passive victims of a malign patriarchy. They were human beings doing their best to negotiate the far from perfect worlds they were born into?much like us. Explore their worlds through their words and their books. Think about them and with them. In thinking about them, think about us. This wholly online course has a ?choose your own learning adventure? structure, which allows you to choose which women to study. After spending two weeks learning about the fifteenth-century scholar of women?s history, Christine de Pizan, you will begin your own investigation of women from the past. Each week you will select a different woman to ?meet.? Your choices include poets, dramatists, musicians, visionaries, warriors, matrons, rulers, travelers, entrepreneurs, and more!
