Students planning to pursue *research distinction* in English will complete at least 4 credit hours of English 4999 (4999H for honors students), the course number assigned for work on undergraduate theses, in addition to the 39 hours required for the major. To graduate with research distinction in English students must meet the following requirements at the time of their graduation: (a) have completed 60 graded hours at Ohio State, (b) have at least a 3.0 cumulative grade point average (*note: the GPA requirement for honors students is 3.4*), and have successfully defended their thesis during an oral examination. Honors students should consult the information and requirements available at <http://aschonors.osu.edu/honors/research-thesis>.

All English majors are encouraged to consider completing a thesis under the direction of a faculty advisor(s). Thesis projects may involve the drafting of a scholarly research paper; the production of a novel, set of short stories, or collection of poems; the analysis of narratives and/or other qualitative data collected from a particular cultural or regional community; and/or the creation of a digital media artifact. Students are encouraged to talk with members of the English faculty and their English Undergraduate Advisors, as early as possible in their undergraduate careers, if they are interested in developing a thesis project or would like more information about the thesis process and requirements.
